

8th EuChemS

Inorganic Chemistry Conference

BARCELONA

September, 5–9, 2027

The EICC8, flagship meeting of its Inorganic Chemistry Division, will take place in Barcelona on September 5–9, 2027, at the [L'Illa Auditorium](#).

Plenary Speakers Confirmed and Main Topics

Sylvestre Bonnet
Leiden
University

**Bioinorganic
Chemistry**

Evelina Colacino

University of
Montpellier II

**Green
Inorganic
Chemistry**

Luisa De Cola
University of
Milan

Roberta Sessoli

University of
Florence

Photophysics

Magnetochemistry

Jeffrey Long
UC Berkeley

**MOFs and
Supramolecular
Inorganic Chemistry**

John McGrady
University of
Oxford

**Theoretical
Inorganic
Chemistry**

Eva Hevia
University of
Bern

**Organometallics
and Catalysis**

**Solid State and
Nanostructured Materials**

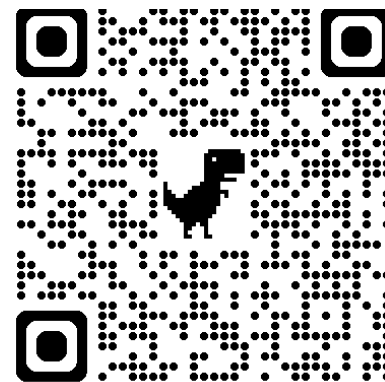

Stefanie Dehnen
Karlsruhe
Institute of
Technology
